Spelling Tic-Tac-Toe

This board includes many different activities to help your child practice his/her spelling words. Your child must choose at least three of the activities to complete for weekly homework. The activities must make a tic-tac-toe line: horizontal, vertical, or diagonal three in a row. Please mark your choices with crayon, marker, etc. Parents, you are encouraged to assist your child as needed to make homework a positive learning experience. This sheet should be turned in on Thursday. Have fun!

**NOTE: If flash cards or other items are created, these need to be attached with the other papers. All materials will be returned after they are checked.*

Write and illustrate your words.	Put all 25 words in alphabetical order.	Write all your words once using something other than a pencil.
Have an adult give you a practice test at home. Be sure the test is checked and signed by an adult.	Put all 25 words in reverse (backward) alphabetical order.	Write each word once making the consonants blue and the vowels red.
Find synonyms (words that mean the same thing) for your words.	Practice the words out loud with an adult.	Write a sentence for each of <u>fifteen</u> of the words and underline the spelling word.
